

# 2<sup>nd</sup> ANNIVERSARY PORNCHAI MATANGKASOMBUT CENTER FOR MICROBIAL GENOMICS

Wednesday, 07.12.22

08:30-12:00

*Free public lectures*

@Stang Mongkolsuk Meeting Room,  
Faculty of Science, Mahidol University

Prof. Emeritus Dr. Pornchai  
Matangkasombut

Former President of Mahidol University

*"The roles of Faculty of Science, Mahidol  
University in the Thai society"*

Prof. Dr. Prasit  
Palittapongarnpim

Professor of Bacteriology,  
Bioinformatics at Microbiology,  
Faculty of Science, Mahidol University

*"Microbial genomics in Thailand  
in the last 5 years"*

Assoc. Prof. Dr. Pakorn  
Aiewsakun

Associate Professor of  
Bioinformatics, Virology at  
Microbiology, Faculty of Science,  
Mahidol University

*"Genomics as research tools  
for microbiologists"*

Dr. Surakameth  
Mahasirimongkol

Director of Innovation and  
Health Industry Promotion,  
Department of Medical Sciences,  
Ministry of Public Health

*"Applications of genomics  
technology in infectious diseases  
control - SARS-CoV-2 sequencing  
and monitoring"*

Assoc. Prof. Arunee  
Thitithanyanont

Associate Professor of Virology,  
Virology at Microbiology,  
Faculty of Science, Mahidol  
University

*"Genomics as a tool for  
disease surveillance and  
discovery of novel pathogens"*
