

Name : Jittima Phonbuppha
E-mail : jittima_phonbuppha@hotmail.com
Tel no : +660870053578
Date of Birth : 22 June 1990

Education

2012 Mahidol University, Bangkok, Thailand

M.Sc. student in Biochemistry

2008 – 2011 Mahidol University, Bangkok, Thailand

B.Sc. in Chemistry

Senior Project : Antioxidant capacity of ethyl acetate fraction from young pikul leaves

Research Presentations :

Poster Presentations : Phonbuppha J, Rayanil K, and Suntornwat, O. Antioxidant capacity of ethyl acetate fraction from young pikul leaves. The 11th National Horticultural Congress., Chiang mai

Research Techniques

- Gene cloning
- Error prone mutagenesis : using polymerase chain reaction
