

# Curriculum Vitae

**Name :** Jadsada Kunno  
**Affiliation :** Department of Biochemistry, Faculty of Science,  
Mahidol University, Rama VI Road, Phayathai,  
Ratchatevi, Bangkok 10400, Thailand.  
Email:atenjadsada@gmail.com

**Education :**  
2011 Bachelor of Science (Biochemistry) Burapha University, Chonburi  
20131, Thailand.

## Research and workshop training experiences:

2012 Research Assistance to Prof. Pimchai Chaiyen, Research on  
Identification of Hydrogen Producing Bacteria. Department of  
Biochemistry, Faculty of Science, Mahidol University,  
10400 Bangkok, Thailand.

2011 Senior Project, Research on Gene cloning and expression of an  
amidase from acrylamide-degrading bacterium, *Enterobacter*  
*aerogenes*. Department of Biochemistry, Faculty of Science,  
Burapha University, Chonburi 20131, Thailand.

2010 Research training at Department of Biochemistry,  
Faculty of Medicine, Srinakharinwirot Universit, Bangkok 10110,  
Thailand.

**Field of Interest:**  
Mechanistic Enzymology, Enzyme Kinetics, Protein Purification

**Skills:**  
- Gene cloning and expression
