MUSC Signing Ceremony with Faculty of Mathematics and Natural Science, Yogyakarta State University, Indonesia

Wednesday 15, October 2014, Office of International Cooperation, Faculty of Science launched a signing ceremony of Memorandum of Agreement (MOA) between the Faculty of Science, Mahidol University (MUSC) and the Faculty of Mathematics and Natural Science, (FMNS), Yogyakarta State University, Indonesia, at the K101 Conference Room, Chalearmprakiat Building.

Prof. Skorn Mongkolsuk, MUSC's Dean has signed a Memorandum of Agreement with Dr. Hartono, Dean of FMNS, Indonesia, to collaboratively promote the institutional relationship in education, science research and academic cooperation, as well as exchange of students, staffs, researchers, crucial information and related publications between the two institutes. The signing ceremony was gladly held and witnessed by the involved staff members of both universities. In this occasion, to provide optimistic information - the visits of MUSC's Departments and Excellent Centers have also been organized.

Academic cooperation between the two universities has previously been conducted since the last two years (2012) when the two key faculties have conducted a visit each other, to promote its educational activities, exchange information and giving a lecture in science's related topics. Recently, MUSC has accepted two young Lecturers from FMNS to be trained on "Scientific Instruments for Research" at the Department of Chemistry and Biology under the mutual staff exchange initiative program as a pilot activity under this official memorandum of agreement.
