## **The Delegation from Chiba University Visited MUSC, Phayathai Campus**

---

Assoc. Prof. Sittiwat Lertsiri, the Dean, hosted a reception for the delegation from Chiba University (CU), Japan, in order to visit the Faculty of Science, Mahidol University, on 20<sup>th</sup> September 2017. The purpose of the meeting is to discuss for further collaboration between the two universities, and to visit Excellent Center for Drug Discovery (ECDD), and proposed space for plant factory.

On this occasion, Vice Dean – Assoc. Prof. Kayaratt Supaibulwatana introduced MUSC's research activities for plant factory under the Center of Bioinnovation and Bio-based Product Intelligence. Furthermore, the delegations also shared their training and research activities.

MUSC and CU jointly discussed for future research possibilities which are short-term visit students and academic staff exchange program between the two universities. Moreover, they will organize CU-MU symposium "Toward the Researches & Innovations for Food and Global Health" in January 2018.
