Successful Joint Symposium between MUSC and National Chung Cheng University, Taiwan

The joint symposium on “Biomedical and Sciences and Beyond” was organized on 21st July 2017, in collaboration between the faculty of Science and Biotech group in National Chung Cheng University (BioCCU), Taiwan, at Stang Mongkolsuk Conference Room, faculty of science, Mahidol University.

Assoc. Prof. Sittiwat Lertsiri, Dean, Faculty of Science, warmly welcomed delegations from BioCCU in the morning session. The purpose of this meeting is to seek for feasibility. On this occasion, the delegations made a visit of Shrimp Molecular Biology and Biotechnology, and Excellent Center for Drug Discovery (ECDD).

The joint symposium session took place during the afternoon, in order to provide a chance for MUSC and BioCCU staff to share knowledge, experience, and idea in Biotechnology, Life and Sciences areas, and to build a network for further collaboration.
