MUSC team visits University of Sussex, United Kingdom

Assoc. Prof. Sittiwat Lertsiri-Dean, led the delegations from Faculty of Science, consisting Assoc. Prof. Kanyaratt Supaibulwatana-Vice Dean, Dr.Niwat Kangwangrangsang-Chair of Biomedical Science programme, Dr. Patompon Wongtrakongate - Lecturer of Department of Biochemistry and Dr. Tatapong Tulyananda - Lecturer of School of Bioinnovation and Bio-based Product Intelligence, to visit University of Sussex, during 27-29 January 2019.

The purpose of this visit is to strengthen double degree programmes and exchange information in mutual research area. Since 2013, University of Sussex and Faculty of Science, Mahidol University have cooperated in academic exchange and established an undergraduate double degree programme in Biomedical Science. Recently, both institutions have established double degree programme in Bioinnovation + Ecology, Conservation and Environment. The programmes provide unique opportunities for MUSC students to pursue academic experience from more than one institutions.
