

## **Announcing the latest visa relief measures on 7 April 2020**

The person whose visas has expired from 26th of March 2020 will be automatically extended to 30th of April 2020. There is no need to apply for a visa extension at Immigration Office for this period and will not be fined THB 500 per day for this case.

Aliens who are due for 90 days reports between 26th of March 2020 and 30th of April 2020 are temporarily exempted from reporting in this period until further notice.

Aliens who are holding Border Passes will be allowed to stay in Thailand for now. However, Aliens with Border Passes must depart Thailand within 7 days of the border crossing points opening date.

Aliens are advised to follow announcements regarding Immigration measures closely for updates.

(Currently measures announced until 30 April 2020 or further updates)
