

Announcement of the President of Mahidol University on
The Results of the Tests for the Coronavirus 2019 (COVID-19)
of the 4 Individuals with Inconclusive Results
(For Internal and External Circulation)

Reference is made to the announcement regarding the tests of 58 individuals with close contact with the student who contracted the coronavirus 2019 (COVID-2019) performed on 16th March 2020, of which the results of 54 individuals turned out negative (undetectable) and the remaining 4 with inconclusive results.

The College of Sport Science and Technology, together with the Faculty of Medicine Siriraj Hospital, Mahidol University, **repeated the tests again on 19th March 2020 and the test results came back negative (undetectable) for all cases.** The 4 individuals were advised to undergo self-quarantine at home for additional 14 days.

Announced on 19th March 2020, 09.00 p.m

B. Mahai

(Prof. Banchong Mahaisavariya, M.D.)
Acting President, Mahidol University
