

ENTRY-LEVEL GENOMICS WORKSHOP

PROF. DR. PRASIT PALITTAPONGARNPIM

Professor of Bacteriology, Bioinformatics, Microbiology,
Faculty of Science, Mahidol University

ASSOC. PROF DR. PAKORN AIEWSAKUN

Microbial evolutionary biologist,
Department of Microbiology,
Faculty of Science, Mahidol University

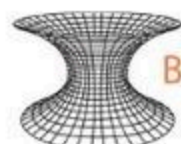

BIO DESIGN.CO., LTD. STAFF

CENMIG STAFF

Pornchai Matangkasombut Center for Microbial Genomics,
Department of Microbiology,
Faculty of Science, Mahidol University

Supported by:

BNK Bioscience Limited

SPEAKERS

07-09
DEC
09:00- 17:00

Stang Mongkolsuk Meeting Room,
Faculty of Science, Mahidol University

HIGHLIGHT

- Various talks on genomics analyses, and their applications on infectious disease control and surveillance, as well as lectures on how to prepare your samples well for sequencing from a sequencing company
- Hands-on practical training on sequencing data treatment, and genome analyses for pathogen identification and drug resistance gene searching
