

2024 HCA Asia Single-Cell Omics Workshop

24 - 28 June, 2024

Bangkok, Thailand

Mahidol University

Key visiting trainer:

- Alex Shalek, MIT, Ragon Institute, & Broad Institute

Mahidol University trainers affiliations:

- Single-cell omics and Systems Biology of diseases (scSyBiD)
- Integrative Computational BioScience Center (ICBS)
- Faculty of Science
- Faculty of Medicine, Siriraj Hospital

About the Workshop:

In-person Computational and Experimental Design Workshop, with separate tracks for computational or experimental researchers interested in single cell omics.

Application Deadline: Friday, 5 April, 2024

Travel Stipends for selected participants
