The Visit of the Delegation from Gadjah Mada University, Indonesia to MUSC, Seeking for Collaboration on Academic and Research

On 2nd November 2017, Assoc. Prof. Sittiwat Lertsiri, Dean, Faculty of Science, Mahidol University, welcomed the delegation from Department of Agriculture Microbiology, Gadjah Mada University (GMU), Indonesia, leading by Dr. Donny Widiyanto, Chairman of the Department of Agriculture Microbiology. The objective of the visit is to discuss and evaluate an assessment of academic and research collaborations between departments including establishing of the academic and research collaborations in faculty level.

Fruitful discussion among administrative staff and researchers from the two universities was well-organized and functionally participated by MUSC's administrators; Assist. Prof. Somkid Amornsamankul, Deputy Dean for Administrator, Assist. Prof. Tanakorn Osotchan, Deputy Dean for research, and Assist. Prof. Wannapong Triampo, Deputy Dean for Educational Services of Salaya Campus.

In this occasion, GMU introduced their trainings with a focus on community empowerment which MUSC could possibly collaborate with. Moreover, they discussed a feasibility of teaching and staff exchange, as well as, scholarship for under and post-graduates.
