Section 3: Please kindly suggest further improving the things that you have unsatisfied on this trip.

ค่าตอบ 9 ข้อ

Should have a chance for experiencing local dishes (e.g. having lunch at a local restaurant and everyone choose and pay their own food).

Maybe could you please plan during not very hot months

Nothing

Weather hotness (but understand the situation ka)

It would plan at month of Dec, Jan, Feb because it will be not much hot.

I enjoyed everything

More duration

I have less communication of interaction between us and the narrator sometimes slightly affects our understanding of what he said.

Section 4: Additional Suggestion

ค่าตอบ 9 ข้อ

The trip should arrange within 1 month after the first semester start.

1-day trip

August

I would like to see more number of our MUSC international graduate students attending this event... More PR directly to each Program Director of Departments (not just via MUSIS)

Once every 3-4 months should be fine.

Well planned

Duration and date for the trip was perfect. No suggestions needed from my side.

Visit to the country side away from city and experience the rural life

This tourism's time is suitable.
