

16th International Online Mini-Symposium of The Protein Society of Thailand

17-18 November
2021

09:00– 16:30
via **CISCO Webex**

Invited Speakers

Assoc. Prof. Dr. Erik Procko
(UIUC, USA)
TBA

Dr. Kittikhun Wangkanont
(CU)
Inhibitor discovery and a novel
inhibitor binding assay
for SARS-CoV-2 main protease

Asst. Prof. Dr. Patompon Wongtrakongate
(MU)
Science and translation toward
prevention and treatment
of COVID-19

Dr. Bunyarit Meksiriporn
(KMITL)
An engineered survival selection strategy
for synthetic binding proteins against
difficult-to-drug targets

Dr. Waradon Sungnak
(MU)
Cellular immune response to COVID-19
deciphered by single-cell multi-omics

Dr. Sakonwan Kuhadomlarp
(MU)
Development of inhibitors targeting
pathogenic sugar binding proteins

Registration fee:

- None (free) for general attendees or poster presenters.
- 1,000 baht fee for participants submitting a proceeding.

Master of Ceremonies

Assoc. Prof. Dr. Nuttawee Niamsiri
(MU)

Asst. Prof. Dr. Patompong Johns Saengwilai
(MU)
