

# Proteomics workshop

March 3<sup>rd</sup>, 2022  
09.00 am. – 16.00 pm.

- Introduction of sample preparation for proteomics workflow. (Online)
- Utilization of proteomics in clinical biochemistry, discoverer protein biomarker, and bioactive peptide analysis. (Online)
- Workshop for **Onsite** registrant (15 persons)

Assoc. Prof. Onrapak Reamlong,  
Department of Molecular Tropical  
Medicine and Genetics, Faculty of  
Tropical Medicine, Mahidol University

Assoc. Prof. Patompon Wongtrakoongate  
Department of Biochemistry and Center  
for Neuroscience, Faculty of Science,  
Mahidol University

Yodying Yingchutrakul  
National Omics Center, NSTDA

Online Registration  
Until March 1<sup>st</sup>, 2022
