

## **Osaka University Anniversary Lecture Series, Japan**

Osaka University is going to celebrate its 90th anniversary on 1 May 2021, while the 100<sup>th</sup> anniversary of the Osaka University of Foreign Studies, which was integrated with OU in 2007, is also this year. The Osaka University Lecture Series will be holding online, offering to students and partner universities. OU professors in a wide variety of fields ranging from the natural sciences to the humanities will deliver these lectures, and students will engage in discussions themes around the latest research.

The student who interests to join the lecture is required to be nominated through the Faculty of Science, Mahidol University within 8 March 2021.
